Welcome to Montfaucon

Whether a corporate event or business retreat, Montfaucon awaits you.

Exclusive use of our beautifully restored 14th Century residence is the perfect environment in which to meet your business requirements whilst enjoying the stunning surroundings of the South of France.

Montfaucon is situated in the beautiful town of Limoux located in the heart of the Cathare region of the Languedoc, South of France. Steeped with history, Limoux is surrounded by castles, abbeys and cathedrals. Its neighbouring town Carcassonne is famous for its medieval city.

Dating back to the 14th Century, Montfaucon was built in the oldest part of the town directly on the river Aude and has been lovingly restored into a magnificent and charming private residence. Elegantly furnished, it offers deluxe accommodation, an outstanding quality of service and above all a unique experience.

With accommodation for up to 10 guests, our team will cater for all your needs from airport transfers to business and entertainment facilities and the organisation of any external activities you may wish to incorporate into your stay where during the entire course of your event, you will have the sole use of Montfaucon and its team.
