Discover Beauty and Inspiration

Several of France's most renowned artists, **Henri Matisse, André Derain and Paul Cézanne** to name a few, found their inspiration in the stunning beauty of the Mediterranean light and the surrounding region of Southern France. Spend two weeks exploring, painting and finding your own inspiration in this magnificent area. The diverse geography and climate provides a variety of painting sites that are sure to excite your imagination, test your ability and inspire your creativity. We've spent a great deal of time researching different places in an effort to satisfy all of your painting interests.

We rarely miss a day outdoors from May to November and with the number of sites we've discovered over the years, we aren't tied down to a specific itinerary. We go where the weather is best. Our professionally-designed studio (located in a former medieval wine cellar) offer the perfect atmosphere for classes and critiques.
